- We are a large multinational, Let's design a future together -

Welcome to **PORCELONA GROUP**, a beacon of excellence in the realm of design and surfacing solutions.

At **PORCELONA**, we are not just a company; we are a large multinational enterprise known for our comprehensive vision, diverse workforce, global reach, progressive mindset, and versatile product line.

We manufacture and market top-quality, aesthetically pleasing **porcelain stoneware tiles, sintered stones, and SPC floors** designed for a wide range of applications, including residential, commercial, and public building projects, whether indoors or outdoors.

We take immense pride in fostering enduring partnerships with our clients. Our commitment extends beyond products; it encompasses responsive service tailored to the ever-changing needs of the market.

The synergy between our proven international management expertise and the energy of our committed team embodies the spirit of '**PORCELONA**,' a spirit dedicated to shaping spaces and inspiring creativity worldwide.

As we embark on this enriching journey together, we invite you to witness the essence of
PORCELONA GROUP

PORCELONA GROUP stands at the intersection of creativity and precision, with our headquarters and Design Studio located in the vibrant city of **ISTANBUL, TURKEY**. With unwavering passion, Our commitment to elevating spaces is reflected in our diverse portfolio, ranging from premium **porcelain stoneware tiles** to cutting-edge **sintered stones** and **SPC floors**.

In Europe, we have established a stronghold with our state-of-the-art display center and warehouse in **FRANCE**. This strategic hub empowers us to cater to the entire European market, ensuring our products seamlessly integrate into the architectural tapestry of the continent.

Across the Atlantic, our commercial and administrative offices in the **USA** provide seamless communication and robust support to our North American clientele, ensuring their experience with **PORCELONA GROUP** is nothing short of exceptional.

At the heart of our operations lies our cutting-edge production facility in **INDIA**. Here, our skilled artisans meticulously bring our designs to life, adhering to the highest standards of quality. It is this meticulous craftsmanship that enables us to set industry benchmarks and deliver surfaces that inspire awe.

Mission:

Our mission is to establish global leadership in the flooring materials industry by delivering innovative solutions that consistently surpass customer expectations. We **prioritize quality, sustainability, and customer satisfaction** through a dedicated focus on innovation and teamwork.

Values:

Quality: We are unwavering in our commitment to manufacturing high-quality flooring materials.

Sustainability: We are dedicated to promoting eco-friendly practices and minimizing our environmental impact.

Customer Satisfaction: Our aim is to consistently exceed our customers' expectations through exceptional service.

Innovation: We embrace new technologies and inventive solutions to maintain our competitive edge.

Teamwork: We highly value collaboration and open communication, recognizing that our collective efforts drive us towards achieving our shared goals as a team.

At **PORCELONA**, we pride ourselves on our state-of-the-art production facilities, designed in accordance with the most modern technical and environmental standards. Our technologically advanced facility reflects our forward-looking group philosophy, with a combined production capacity of **62,000** square meters per day.

PORCELAIN STONE WARE FACILITIES

Our 1st facility produces **60x120 (24x48')**, **80x80 (32x32')** and **80x160 (32x64')** products at a rate of **15,000** square meters per day.

The 2nd facility specializes in **30x60 (12x24')** and **60x60 (24x24')** materials, with a daily capacity of **16,000** square meters.

Our 3rd facility focuses on **from 120x120 (48x48')** up to **bigger sizes 160x320 (64x128')** products, with **Sacmi continue+** press, also with a daily capacity of **16,000** square meters.

We have an additional facility with a **5,000**-square-meter daily capacity, crafting **porcelain press mosaics**, **cut mosaics**, and **subway ceramic tiles** for Europe and North America.

MORE THAN A PORCELAIN

Machinery & Raw material partners from around the world

The most significant goals are achieved by working together
and pulling in the same direction.

Quality Excellence at PORCELONA: Where Precision Meets Promise

At **PORCELONA**, ensuring the utmost quality of our products is not just a commitment; it's our standard. We employ rigorous in-house production inspection, during-production inspection, and pre-shipment inspection systems to meticulously evaluate both visual and physical parameters. This stringent quality control process is in place to guarantee that every piece leaving our facilities meets the highest industry standards.

All shipments from **PORCELONA** come with a Quality Certificate of Compliance. This certificate attests that the dimensions and surface quality of our products comply with the Regulations of Ceramic Tiles, Definitions, Classification & Characteristics outlined in **ISO 13006:2018 for Asia and ANSI A137.1:2022 – Standard Specifications for North America Ceramic Tile, based on Test Method EN ISO 10545-2.**

This certification is not just a testament to our quality; it's a promise of excellence you can trust.

With **PORCELONA**, quality isn't just a process; it's our legacy. Each shipment represents our unwavering dedication to craftsmanship and our commitment to transforming spaces with top-tier products.
